Measurement Systems Company

**Announcement of opening for**  
**The Representative Office of TOKYO KEIKI INC. in HCMC.**

We wish to inform that we have opened a new representative office in Ho Chi Minh City, Vietnam at the below contact address.

Through this office, we will investigate market situation for ultrasonic flowmeter or non-contacting radar locally from Vietnam to establish certain position in the "South Asian market".

We earnestly hope that you will kindly extend your generous patronage to our new Rep office in HCMC.

Sincerely Yours,

Open 1<sup>st</sup> June, 2018
